Dear Ms. Healey.

Thank you for your generous support of Feeding San Diego! Your gift of \$1,000, received on 10/5/2019, helps provide 4,000 meals for San Diegans in need.

One in eight San Diegans face hunger every day, while 40% of food goes to waste. Those who experience hunger often make difficult decisions such as choosing between paying for basic living expenses — like rent or utilities — and buying groceries. We believe no one should have to face these challenges. Our critical programs are necessary to meet the ever-present need in the community, and you make this possible.

Feeding San Diego remains committed to leading the fight for a hunger-free and healthy San Diego through an efficient and innovative distribution model. Together, we can ensure our neighbors in need have enough nutritious food to eat while reducing food waste at the same time.

Thank you for your generous investment in our mission. If you have any questions about our initiatives or impact, please contact Charina Layman, Senior Partnerships Manager, at clayman@feedingsandiego.org or 858.283.8999.

With gratitude,
