Greetings,

Thank you for a successful Golf Gathering! We're incredibly grateful that Jamul Casino supported the 2019 NHA Marsh & McLennan Golf Gathering. Your donation valued at \$900.00 helps us to continue to help thousands of individuals and families in need through our Continuum of Care model: a vision that provides direct services and wrap around services to individuals and families to help make dreams become reality.

Because of you, more children and families will be able to realize their potential!

To learn more about NHA and how your donation is working in the community, please visit us anytime at www.neighborhoodhouse.org.

We hope you will join us next year for our Ten Year Celebration! Thank you again for your generosity and we trust that NHA's performance in our community will merit your ongoing support.

Best Regards,

Tyrone Matthews
Committee Chair
