Jamul, CA 91935

Dear Scott:

Together, we are saving lives! It is generous organizations, like Prime Cut Steak & Seafood, that help us continue our mission to save lives by meeting the most critical needs in San Diego County and investing in breakthrough research to prevent and cure breast cancer.

Thank you for participating in Susan G. Komen® San Diego's 2019 Dine Out for the Cure on Thursday, October 17, 2019. Because of your support, the event was a huge success raising more than \$30,000 with over 80 locations.

In San Diego, six women a day are diagnosed with breast cancer and one woman a day passes away from this disease. When faced with tough situations, it can feel frustrating, overwhelming and sometimes hopeless.

Because of you, those affected by breast cancer will have access to free mammograms, biopsies, ultrasounds, care coordination, education and financial assistance.

Thank you for making a meaningful and substantial impact on the lives of those affected by breast cancer. Enclosed in this packet is an event overview. On behalf of the patients and survivors who will benefit from your donation, thank you.

Together, we can improve, transform and save lives!

Sincerely,

Chantal Breyfogle
