Dear Ms. Oliwoolabode,

Thank you for stepping up for domestic violence survivors by supporting YWCA of San Diego County and our 13th annual *Walk a Mile in Their Shoes* held in October 2020. Your donation of a gift basket filled with a \$200 dinner voucher, \$300 slot play, bluetooth speaker and various promotional items, received on 10/15/2020, helped us raise awareness and critical funding for our Becky's House® Domestic Violence Programs.

Last year, YWCA of San Diego County provided safe housing and integrated services to more than 6,300 adults and children. Our comprehensive services include a 24-hour crisis hotline, mental health counseling, legal support, children's services, short-term financial assistance and housing solutions to achieve self-sufficiency.

If you have any questions about the impact of your donation, please contact Darlene Moreno, Development Associate, at 619.239.0355 x225 or dmoreno@ywcasandiego.org.

On behalf of the adults and children we serve, thank you for helping those most in need. Together, we can end domestic violence one step at a time.

With gratitude,

Heather Finlay
Chief Executive Officer
